

4th of July

On July 4, 1776, we claimed our independence and democracy was born.

Thousands have willingly given their lives in support of democracy and freedom not just for this country, but for the freedom and human rights of the oppressed in foreign lands.

"I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands. One nation under God, indivisible, with liberty and justice for all."
